## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Woodruff Elementary School welcomes you.

The faculty and staff join me in thanking each parent and student for an outstanding 2008-2009 school year.

It is our vision, at WES, to establish and maintain a learning environment that is strong in discipline and academically rigorous while maintaining a nurturing and caring atmosphere for the individual student. At WES, we are firmly committed to providing our students an educational foundation that will prepare them for life in a democratic society.

In order to maximize student learning for every student, WES offers a wide array of educational opportunities encompassing both the arts and academics. WES provides additional after-school instruction in both music and art to students who have a strong interest. Another way WES helps every student achieve to his or her potential is through the Focus Program. The Focus Program is a free enrichment program focusing on Math and Language Arts. Over 200 students faithfully participated in this academically rigorous program during the 2008-2009 school year. Last year, the state of South Carolina recognized the extraordinary efforts of Woodruff Elementary's students and faculty with the Silver Award for outstanding scores on the PACT.

Woodruff Elementary School is a very special place to work and learn. The feeling of community and support that is so evident in the school flows from the greater Woodruff community. The families of our students, parents, and teachers live and work together, and, as a result, the home/school ties are strong. Woodruff Elementary School is grateful for the support it receives from the community.
